About Ambac

Ambac Financial Group, Inc. ("Ambac"), headquartered in New York City, is a holding company whose subsidiaries, including its principal operating subsidiaries, Ambac Assurance Corporation ("AAC"), Everspan Financial Guarantee Corp. and Ambac Assurance UK Limited ("Ambac UK"), provide financial guarantees to clients in both the public and private sectors globally. AAC, including the Segregated Account of AAC (in rehabilitation), is a guarantor of public finance and structured finance obligations. Ambac's primary goal is to maximize stockholder value by executing the following key strategies: active runoff of AAC and its subsidiaries through transaction terminations, policy commutations, settlements and restructurings that we believe will improve our risk profile, and maximizing the risk-adjusted return on invested assets; loss recovery through litigation and exercise of contractual and legal rights; improved cost effectiveness and efficiency of the operating platform; rationalization of AAC's capital and liability structures, enabling simplification of corporate governance and facilitating the successful rehabilitation of the Segregated Account; and selective business transactions offering attractive risk adjusted returns that, among other things, may permit utilization of Ambac's tax net operating loss carry-forwards. Ambac's common stock trades on the NASDAQ Global Select Market under the symbol "AMBC".
